

BGCNC's Kids Corner

June 2018

This June the BGCNC kids are transitioning from school to sweet summertime, where the Boys and Girls Club has fun planned for every week! On each Wednesday during the summer, a field trip is taken to one of New Hampshire's attractions. The pricing for summer camp, a fun poll, upcoming events, and much more is packed in this month's issue from our creative BGCNC kids!

Fun Trips!

By: Harley T.

This June, we have two field trips planned for Wednesday the 20th and Wednesday the 27th. On Wednesday the 20th, the kids will be taking a trip to Attitash in Bartlett, New Hampshire for a fun-packed day. Campers should bring their own bagged lunches and a swimsuit. They can bring money if they want to buy food or drink, but they will not be in the gift shop. The next field trip on the 27th will be at Santa's Village in Jefferson, New Hampshire. Campers should pack the same things as the Attitash field trip.

Pricing \$\$

Here at the BGC we have a fun filled summer camp for awesome prices! For one week it costs \$120 and that includes field trips, but for a single day it costs \$25, excluding field trip days. If you come on a Wednesday, expect a fun trip in store! These special days will be an extra \$20 on top of the \$25 for the day. There is financial aid available. For more information on any of these things, contact sara@bgcnorthcountry.org.

Poll!!

This month we did a poll on what field trip kids were looking forward to. We asked 15 kids to choose between three places, and these were their answers! Attitash came out on top for this month!
