## *Winter Activities*

By: Kahlen S.

Are you bored this winter? Maybe you don't know what to do. There are a lot of choices. Here are some choices you can pick this winter. You could definitely go skiing or snowboarding. That is a very popular activity for many citizens of the North Country. You could also go sledding or tubing, which is a very fun pass time! If you're looking for a way to burn lots of energy, ice skating and hockey is a great way to do this. If you prefer to relax, ice fishing is a great choice for you! Last but not least, you could go snowshoeing. This a great way to burn energy as well and you could do so on a leisurely walk, or up a towering mountain. If you are not a fan of any of these activities, there are plenty more, or you could come hang out at BGCNC. Now you don't have to be bored this winter. You can have lots of fun times with friends, family, or just by yourself. Get out there and have fun!

## *New Years Eve Celebration*

By: Maddison N.

The 2019 “New Year’s Rockin’ Eve” celebration began at 6:00 pm, December 31st, 2018. The event consisted of many performances by artists such as Post Malone, Bastille, Shawn Mendes, Brett Young, Bebe Rexha, and Dua Lipa. Performances came to an end just before midnight as crowds prepared for the ball to drop. As soon as the ball dropped at 12:00 am crowds were shouting and hollering in celebration. Confetti fell, fireworks lit the sky, buildings flashed with vibrant lights, and the song “Auld Lang Syne” by Robert Burns played in the background. The event finally ended at 12:20 am, January 1st, 2019.
