## **BGCNC Closed Due to COVID-19**

---

Dear BGCNC Families,

It's important that you know the safety and protection of your child(ren) is the number one priority of the Boys & Girls Club of the North Country (BGCNC). We are doing everything possible to keep our Club members, staff, and volunteers protected from the COVID-19 virus.

As we have received the news that New Hampshire schools will be closing through April 3rd, BGCNC must make the difficult decision to close our doors from Monday, March 16th through April 3rd to ensure the safety of the children we serve.

There is an immediate, urgent need for social distancing to limit the spread of this global pandemic, and this along with the guidance of the DHS, and the closure of NH schools has led us to the decision.

We know this presents an incredible burden for families who rely on us for childcare. We also realize that many of our families rely on the nutritious snacks their children receive at school and at BGCNC. We are working with our community and volunteers to help those in need of support during this time. If you or someone you know needs assistance, please do not hesitate to reach out to us.

In the meantime, we are advising all Club staff, families, and youth to continue to take [preventative measures as recommended by the CDC](#).

Should you have any questions or concerns, please do not hesitate to contact Executive Director, Sara Shovlin at [sara@bgcnorthcountry.org](mailto:sara@bgcnorthcountry.org) or call (603) 838-5954. We will continue to update you with any new information.

We know this is a difficult time. We will get through it, together.

Sincerely,

Sara Shovlin & BGCNC Board of Directors
