*Our mission is to
provide a Fun, Safe, Positive
place for all children of the
North Country, under the
guidance of caring adults.*

September 11, 2020

To the families of the North Country,

We are excited to announce the reopening of our Club!

As you know, our Club has found ourselves in a unique situation. The change in school schedules, combined with the lack of transportation available for after school programming, has created some challenges in our reopening plans. However, we are working through the kinks and are excited to announce our projected reopening date of **October 5, 2020!**

In Phase 1 of our reopening plan, we will be offering our afterschool program from 3-6pm for a limited number of students from Landaff Blue School, Lisbon Regional School, and Littleton Schools. Transportation from these schools will be provided. While we would love to accommodate all our families who need afterschool care, we will be limiting enrollment to maintain distancing and minimize potential virus exposure. As the year goes on, we hope to increase our capacity and serve more children and potentially more schools.

We realize that this time has been difficult for many if not all of our families. We greatly appreciate your patience and continued support while we work to ensure a fun, safe, positive environment for the children of the North Country.

Information on registration will be forthcoming.

Thank you,

Sara Shovlin &
BGCNC Board of Directors
