*Our mission is to
provide a Fun, Safe, Positive
place for all children of the
North Country, under the
guidance of caring adults.*

BGCNC COVID-19 Update

November 11, 2020

Safety is the number one priority of Boys & Girls Club of the North Country, and we are doing everything possible to keep children, staff, and volunteers protected from the COVID-19 virus. On the evening of November 10th, we learned that a Club member tested positive for COVID-19. There is a possibility that staff and members were exposed to this individual in the two weeks prior to the date of diagnosis. We are collaborating with the appropriate public health officials and adhering to Centers for Disease Control and Prevention (CDC) recommendations to privately inform anyone determined to have been in close contact with this Club member.

If you are having symptoms that align with COVID-19, please contact your healthcare provider or, if you do not have a healthcare provider, please contact your local health department immediately and indicate that you may have been exposed to the virus.

We continue to work with local public health officials and are taking all precautionary measures regarding deep cleaning and sanitizing of Club facilities to ensure the safety of members and staff. In the meantime, we are advising all our Club staff, families, and youth to continue to take precautions as recommended by the CDC. Furthermore, out of an abundance of caution, **our Club will be closed for the next two weeks** so that staff can monitor for symptoms and deep cleaning can take place.

As always, our goal is to be transparent while respecting privacy, but please do not hesitate to reach out with questions or concerns. We will continue to update you as we know more.

Sincerely,

A handwritten signature in blue ink that reads "Sara Shovlin".
