BGCNC COVID-19 Update

November 18, 2020

Safety is the number one priority of the Boys & Girls Club of the North Country and we are doing everything possible to keep children, our staff, and volunteers protected from the COVID-19 virus. Due to the uptick of cases and community spread in the North Country, we have decided to close the Club until January 19, 2021.

In the meantime, we are advising all our Club staff, families, and youth to continue to take precautions as recommended by the Centers for Disease Control and Prevention (CDC) and the New Hampshire Department of Health and Human Services (NH DHHS).

If community members have additional questions, please do not hesitate to contact me. We will continue to update you as we know more.

Sincerely,

Sara Shovlin
